MORE THAN A CHASSIS

“Isuzu” translates as “fifty bells pealing in harmony and celebration to form one unified sound.”

Harmony is what we strive for with our customers. The medium-duty segment offers customers a number of options to choose from, but when they choose Isuzu it means something more to us. We are more than a chassis and we aim to show that to each of our customers.

Sure, Isuzu’s legendary reliability is a testament to how well built our trucks are. They are put to the test every day from the harsh environments of construction to the stop-n-go of home delivery. And at every turn, we are there to support our owners with robust warranties, quality parts and excellent maintenance at more than 300 authorized Isuzu dealerships and service facilities.

Isuzu has been the best-selling low cab forward truck in America every year since 1986.

That wouldn’t be possible if our customers bought one Isuzu truck and then switched to another brand. But they don’t. They come back, year after year, truck after truck. Decades of performance and millions of miles of reliability have made Isuzu a leader in the medium-duty segment.

We are more than a chassis to hundreds of thousands of owner-operators and fleet managers that can attest to the great performance of Isuzu trucks and to our brand support. There isn’t just one compelling reason to choose Isuzu but many reasons. Owning an Isuzu truck is just the beginning of a relationship -- we aim to prove that Isuzu trucks are more than a chassis.
THE #1 BEST SELLING LCF TRUCK IN AMERICA SINCE 1986
LESS IS MORE.
MORE IS BEST.

The Isuzu low cab forward (LCF) design is known for providing outstanding visibility and maneuverability. These two advantages alone make Isuzu trucks easier and safer to drive. Our multiple wheelbases give N-Series customers a choice of body sizes up to 20 feet in length -- giving you more choices, more driver benefits and less hassle when navigating the road ahead. **Less is more and more is best.**

**EFFICIENT OVERALL LENGTH**

Conventional cabs are longer in order to accommodate a forward-mounted engine. In contrast, Isuzu LCF cabs are positioned above the engine with less forward mass. This efficient design gives LCF owners more Cab to Axle (CA) space compared to conventional cabs with equivalent wheelbases, allowing:

- Up to 2-ft. longer bodies on equivalent wheelbases to accommodate more cargo
- Body sizes from 10 to 20-ft. in length. This versatility gives you more choices when upfitting your next N-Series truck
- More maneuverability. When equal body sizes are mounted on a traditional and low cab forward truck, the low cab forward truck has a shorter overall vehicle length providing more maneuverability with equal cargo loads

**INCREASED FORWARD VISIBILITY**

**Less** mass in front of the cab gives the driver and passengers more visibility compared to traditional cabs. This not only helps to make driving an Isuzu truck easier, but also helps to enhance safety for the driver. Urban areas are known for their tight quarters and being able to see obstacles and pedestrians more clearly gives the driver an advantage when navigating in the city or the open road.

**3-POINTERS ARE GOOD FOR BASKETBALL, NOT SO MUCH IN TRUCKING**

Fewer three-point turns saves time and time is money. More time, more money. Isuzu trucks have class-leading turning radius which reduce the amount of three-point turns on any given route. The turning radius also helps the driver when parking and backing into tight spaces.

MORE THAN A CHASSIS
ACCESSORIES

TOUCHSCREEN AUDIO SYSTEM
The Alpine iLX-207 is equipped with a convenient touchscreen display and provides 200 watts of sound. This versatile system works with Apple CarPlay® and Android Auto which gives you access to a number of your smartphone’s apps including navigation. It is also equipped with built-in Bluetooth®, SiriusXM connectivity (antenna and subscription required), an HDMI input, an HD Radio™ tuner and more. A USB port and AUX input are also included.

HIGH-VISIBILITY RED SEATBELTS
Red seatbelts provide quick visual verification that seat belts are being worn to conform with safety regulations.

Other Optional Equipment:
- Spare Keys (2 additional keys)
- Fire Extinguisher and Triangle Kit
- Backup Alarm
- 102-in. Side Mirror Bracket
- Engine Block Heater with Receptacle (115V 400W)
- Speed Limiting to 65 mph

ACCESSORIES

KEYLESS ENTRY
Conveniently locks and unlocks all cab doors at the push of a button. Two transmitters included.

HEATED MIRRORS
Heated flat and convex mirrors or heated flat and convex mirrors with dual remote controls. Heated flat and convex mirrors prevent fogging and ice collection with a quick push of a cab switch. For added convenience, available remote controls allow the driver to quickly adjust the angle of the flat or convex mirror.

TOUCHSCREEN AUDIO SYSTEM

AIR DEFLECTOR
To help maximize fuel efficiency, the custom-designed Isuzu Air Deflector directs air over the top and around the sides of body to reduce drag.

CHROME GRILLE
Enhances styling with a chrome-accented grille.

MOBILEYE
This passive safety system provides alerts and warnings for enhanced safety. The system incorporates Forward Collision Warning, Pedestrian Collision Warning, Lane Departure Warning, Limiting Speed, and Headway Monitoring and Warning.

SEAT COVERS
Designed and tailored for a custom fit, these seat covers help reduce seat wear and tear to protect your investment while enhancing the look and feel of the cabin. Available on Standard and Crew Cab models.

SUSPENSION SEAT
Designed to increase driver’s comfort and help reduce fatigue, the suspension seat dampens the impact of rough road surfaces and can be adjusted for personalized settings. Not available on Crew Cab.

HIGH-VISIBILITY RED SEATBELTS
Red seatbelts provide quick visual verification that seat belts are being worn to conform with safety regulations.
QUALITY PROGRAMS
RELIABLE. PREDICTABLE. TRUSTWORTHY.

What do Isuzu trucks have that others don’t? It’s not just multiple wheel choices, chrome grilles and the latest bells and whistles. It’s more than that. The best low cab forward truck is backed by unrivaled product and customer support, a best-in-class warranty and a low cost of ownership. It’s the intangibles and so much more. Our customers’ loyalty is due to our quality product and the support we back it with.

Your truck’s maintenance is vital to keeping it on the road and performing its best. That is why every new Isuzu gas truck comes with a complimentary oil coverage plan. It is more than just an oil and filter change every 7,500 miles. This maintenance plan covers lubricating the chassis, replacing the engine fuel filter and checking your tire pressure. This plan covers your truck for two years or 30,000 miles, whichever comes first.

Preventive maintenance increases your operating efficiency and maximizes your fuel economy. This comprehensive program protects you against increasing labor and parts costs for three to six years. PSMP also guarantees you “Priority” treatment during your service visits and when roadside assistance is needed. And any unused portion of your PSMP can be rolled into your next purchase, transferred to the next owner, or refunded to you.

Protecting your investment beyond the standard warranty assures you a high level of protection against costly repairs. This optional limited warranty covers you for up to five years or 100,000 miles (125,000 miles also available), whichever comes first, extends Roadside Assistance for duration of the warranty.

Warranty coverages are determined by the mileage of the vehicle and the number of years from the delivery date. See your authorized Isuzu dealer for warranty details.

Call 866.441.9639 – 24/7/365 – It is as simple as that when you are in need. Roadside Assistance is standard for the first three years (unlimited miles) on Isuzu gas trucks. It covers tows, jump starts, lock outs and fueling (owner is responsible for cost of fuel).

Specifically-designed replacement parts developed for Isuzu trucks. They are approved for all warranty repairs and carry a one-year unlimited mile warranty.

Isuzu Finance of America is the captive finance company for Isuzu Commercial Truck of America. Exclusive programs, like the Isuzu iLease, are offered through authorized Isuzu dealers nationwide. The iLease is by far the most cost-effective option for qualifying customers, allowing them to take advantage of low monthly payments. Ask your Isuzu dealer for more information on Isuzu Finance offerings that will best fit your business needs!

Isuzu FleetValue Parts are designed to provide a low cost of ownership, safe operation of your truck and superior quality. We ensure that FleetValue Parts meet OEM standards and back them with a one-year unlimited mile warranty.

Isuzu most favored by customers is due to our quality product and the support we back it with.
